ANNUAL AWARDS FOR EXCELLENCE IN MENTORING

Dear Fellows and Trainees

The Annual RACP Excellence in Mentoring Awards were established by the College Trainees' Committee to promote and publicise the important role mentors have for trainees, for both their personal and professional development, and to formally recognise the significant contribution mentors provide to our College.

All Fellows and registered trainees in Australia and New Zealand are invited to nominate a mentor and detail the contribution the mentor has made to the trainee's personal or professional development. Any Fellow of the College can be nominated for an award. A maximum of one award will be made in each of the following categories:

Academic and Research
Clinical and Professional Practice
Physician Educator
Rural

Each award consists of full Congress registration, attendance at the Congress Dinner, economy return airfares, accommodation on the night of the dinner and a formal presentation of a plaque at the dinner.

We would like to encourage Fellows and trainees to nominate those who have made an outstanding contribution to mentoring or who have provided a high level of support and guidance throughout training.

Previous winners and nominees have been delighted to be recognised by colleagues as deserving of recognition. This is a positive way we can acknowledge those who tirelessly advocate for, and support trainees in research, education and professional practice.
