

Rue Wright Memorial Award

Award of the Paediatrics & Child Health Division

Prize: \$1500

Open to: RACP Australian or New Zealand Trainees or Fellows, members of the Chapter of Community Child Health, members of the Paediatric Society of New Zealand, and affiliate members of the Chapter of Community Child Health Special Interest Groups

Criteria:

- Work must have been carried out in Australia or New Zealand
- The Award is for excellence of hypothesis, scientific merit, relevance to Community Child Health and oral presentation at the Paediatrics & Child Health Annual Meeting
- For the purpose of this award, Community Child Health will include those topics dealing with children with special needs, or population paediatrics in one of the following categories:
 - child disability
 - child development and behaviour
 - child protection
 - child health surveillance and screening
 - health promotion
 - health protection and disease control

Note: Presenters will offer their abstracts for publication in the Journal of Paediatrics and Child Health
